

Easy to use. Effective cleaning

Easy-to-use, ergonomic and effective. The 5000 Cordless Cleaner provides no-compromise results. With a detachable hand unit and accessories, it's quick and effortless every time you clean. All models are made sustainably with recycled plastic.*

*Recycle plastic content in % varies from 64-74% across AEG 5000 cordless cleaner models.

Product Benefits & Features

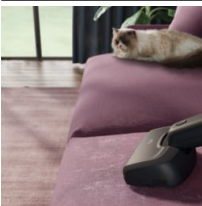

Clean every surface easily and effectively.

Our cordless cleaner provides effective cleaning results on dust, hair, and fine particles on any surface.

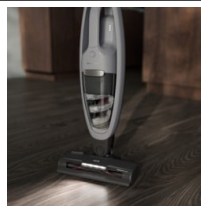

Convenient detachable handheld unit for quick cleaning.

For quick, easy cleaning. A detachable handheld unit helps you move from floors to hard-to-reach places without breaking stride.

PETPRO nozzle

Powerful motorized nozzle that connects to the handheld for deep cleaning of furniture and upholstery from pet hair and fibers.

Clean more. With long-lasting performance.*

The new dust bin design ensures that even as more particles are collected, long-lasting performance* is assured without clogging.

*Maintains 99% of initial cleaning performance as the dust bin fills up acc to IEC 62885-2 edition 1.0: 5.1, 5.7 & 5.9 on max power setting

Up to 50minutes cleaning time.* With one charge.

No need to stop. Now you can clean for up to 50minutes * with one charge

- Integrated Crevice Tool
- Crevice Nozzle
- Li-Ion Battery
- BrushRollClean™ technology

* Internal tests on handheld unit at min speed mode acc to IEC62885-4 where stick is turned on in min speed mode. Handheld unit is taken out and measurement is made on handheld unit.
